

LangGraph Platform Pricing Guide

LangGraph Platform offers multiple pricing tiers designed for teams of all sizes. The open source library remains free forever. Paid plans add deployment infrastructure, monitoring, and support.

Pricing Tiers

Plan	Price	Deployments	Support
Free	\$0/month	1	Community
Developer	\$20/month	5	Email
Team	\$99/month	20	Priority
Enterprise	Custom	Unlimited	Dedicated

All paid plans include a 14-day free trial. Annual billing saves 20 percent. Educational institutions receive a 50 percent discount on Team plans.
